We are sincerely thankful to Children's Help Net Foundation for its care and financial support.

Through your presence and through the presence of Andrea Foundation, represented by Mrs. Neonila Matova, there has been possible the organization of Easter and Christmas holidays within C.R.I.S. Cultum.

For all of us these holidays were full surprises and gifts. The children have felt the support and the kindness of the people surrounding them. These holidays are very special for our Centre and represent traditions witch we are trying to maintain.

My peace be your gift and Christmas and your blessing all your through.

Marry Christmas and a Happy New Year! You are always at our Centre.

Yours sincerely,
The children within the Centre, the parents and the personnel.

Ala Fodor  Executive Director
C.R.I.S. Cultum.
