ANDREA CHARITY FOUNDATION

Dear Dr. Daniel Levine:

This is a message of gratitude expressed by the Young Children's Placement and Rehabilitation Center, which is an institution subordinated to the Ministry of Health and Social Protection of the Republic of Moldova. We provide care, education and rehabilitation to about 200 orphaned children of ages between one month and 6 years of age.

Since we are a budget institution, we wouldn't be able to create the best living conditions for the little ones if it were not for generous and big-hearted people who are eager to share their financial means and heart warmth with less happy people. We thank you a lot for all the donations you have made this year.

This charity has allowed us to improve the children's condition and nutrition, to create a wonderful and healthy medium for the children.

We are very appreciative your sensibility and generosity.

Please accept our best wishes for the coming Christmas and New Year. God bles you and your family.

Respectfully,
